

2 MAY

SUBJECT: MC&G Requirement Guidance for NRP Fiscal Planning for FY 73
and Beyond

TO:

1. During MCGWG meeting of 7 May 1971 it was concluded that an Ad Hoc Sub Working Group of the COMIREX MCGWG should be established to develop recommendations in a timely manner on above subject. By this memorandum, you are appointed Chairman of this Ad Hoc Sub Working Group.

2. The purpose of the Ad Hoc Sub Working Group is to develop, consistent with broad MC&G requirements generally recognized by USIB, substantive requirement recommendations that can be used as a guide by NRO in financial planning for FY 73 and beyond. In developing these recommendations it is desired that all organizations having members or consultants to the MCGWG be asked to contribute.

3. It is requested that you schedule your efforts in order that your recommendations can be submitted for review by the MCGWG on 21 May 1971. If practicable, your written recommendations should be made available to the COMIREX MCGWG members a few days prior to 21 May.

4. Any major policy problems should be brought to my attention.
